AN ACT

Making appropriations for the Department of Agriculture for the fiscal year ending, June 30, 1933, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the following sums are appropriated, out of any money in the Treasury not otherwise appropriated, for the Department of Agriculture for the fiscal year ending June 30, 1933, namely:

OFFICE OF THE SECRETARY

SALARIES

For Secretary of Agriculture, \$15,000; Assistant Secretary, and for other personal services in the District of Columbia, including \$7,294 for extra labor and emergency employments, and for personal services in the field, \$806,547; in all, \$821,547: *Provided*, That in addition thereto, this appropriation may be reimbursed for the cost of such additional employments as may be necessary for cleaning, in whole or in part, of buildings of the Department of Agriculture in the city of Washington, from the appropriations made for the bureaus or offices for which such service is performed: *Provided further*, That in expending appropriations or portions of appropriations, contained in this Act, for the payment for personal services in the District of Columbia in accordance with the Classification Act of 1923, as amended, with the exception of the Assistant Secretary, the average of the salaries of the total number of persons under any grade in any bureau, office, or other appropriation unit shall not at any time exceed the average of the compensation rates specified for the grade by such Act, as amended: *Provided further*, That this restriction shall not apply (1) to grades 1, 2, 3, and 4 of the clerical-mechanical service, or (2) to require the reduction in salary of any person whose compensation was fixed, as of July 1, 1924, in accordance with the rules of section 6 of such Act, (3) to require the reduction in salary of any person who is transferred from one position to another position in the same or different grade, in the same or different bureau, office, or other appropriation unit, (4) to prevent the payment of a salary under any grade at a rate higher than the maximum rate of the grade when such higher rate is permitted by the Classification Act of 1923 as amended, and is specifically authorized by other law, or (5) to reduce the compensation of any person in a grade in which only one position is allocated: *Provided further*, That the Secretary of Agriculture is authorized to contract for stenographic reporting services, and the appropriations made in this Act shall be available for such purposes: *Provided further*, That the Secretary of Agriculture is

authorized to expend from appropriations available for the purchase of lands not to exceed \$1 for each option to purchase any particular tract or tracts of land: *Provided further*, That not to exceed \$55,000 of the appropriations available for salaries and expenses of officers and employees of the Department of Agriculture permanently stationed in foreign countries may be used for payment of allowances for living quarters, including heat, fuel, and light, as authorized by the Act approved June 26, 1930 (U. S. C., Supp. V, title 5, sec. 118a): *Provided further*, That no part of the funds appropriated by this Act shall be used for the payment of any officer or employee of the Department of Agriculture who, as such officer or employee, or on behalf of the department or any division, commission, or bureau thereof, issues, or causes to be issued, any prediction, oral or written, or forecast with respect to future prices of cotton or the trend of same.

For salaries and compensation of necessary employees in the mechanical shops and power plant of the Department of Agriculture, \$125,000.

MISCELLANEOUS EXPENSES, DEPARTMENT OF AGRICULTURE

For stationery, blank books, twine, paper, gum, dry goods, soap, brushes, brooms, mats, oils, paints, glass, lumber, hardware, ice, fuel, water and gas pipes, heating apparatus, furniture, carpets, and mattings; for lights, freight, express charges, advertising and press clippings, telegraphing, telephoning, postage, washing towels, and necessary repairs and improvements to buildings and heating apparatus; for the maintenance, repair, and operation of not to exceed three (including one for the Secretary of Agriculture, one for general utility needs of the entire department, and one for the Forest Service) and purchase and exchange of one motor-propelled passenger-carrying vehicle and one motor cycle for official purposes only; for the payment of the Department of Agriculture's proportionate share of the expense of the dispatch agent in New York; for official traveling expenses, including examination of estimates for appropriations in the field for any bureau, office, or service of the department; and for other miscellaneous supplies and expenses not otherwise provided for and necessary for the practical and efficient work of the department, which are authorized by such officer as the Secretary may designate, \$190,000: *Provided*, That in connection with activities authorized in the Act of August 10, 1912 (U. S. C., title 5, sec. 542), the Secretary of Agriculture during the fiscal year 1933, may maintain stocks of stationery, supplies, equipment, and miscellaneous materials sufficient to meet, in whole or in part, requirements of the bureaus and offices of the department in the city of Washington and elsewhere, and the appropriations made for such bureaus and offices for such stocks and for toilet-room supplies and materials and equipment used to clean, in whole or in part, the buildings occupied by the department in the city of Washington shall be available to reimburse the appropriation for miscellaneous expenses current at the time additional supplies and materials are procured for the general stock: *Provided further*, That the appropriations made hereunder shall be available for the payment of

salaries of additional employees engaged in purchasing, storing, handling, packing, or shipping of supplies and the amount of such salaries shall be charged proportionally as a part of the cost of supplies issued: *Provided further*, That the facilities of the central storehouse shall to the fullest extent practicable be used to make unnecessary maintenance of separate storehouse activities in the several bureaus of the department: *Provided further*, That a separate schedule of expenditures, transfers of funds, or other transactions hereunder shall be included in the annual Budget.

RENT OF BUILDINGS IN THE DISTRICT OF COLUMBIA

For rent of buildings and parts of buildings in the District of Columbia, for use of the various bureaus, divisions, and offices of the Department of Agriculture, \$70,000, in addition to which the Secretary of Agriculture, if found necessary, may enter into leases not to exceed \$35,000: *Provided*, That only such part of this sum shall be available to pay rent for space which can not be furnished by the Public Buildings Commission in Government buildings located in the District of Columbia.

Total, Office of the Secretary, \$1,206,547.

OFFICE OF INFORMATION

SALARIES AND GENERAL EXPENSES

BUREAU OF ANIMAL INDUSTRY

SALARIES AND GENERAL EXPENSES

For carrying out the provisions of the Act approved May 29, 1884 (U. S. C., title 7, sec. 391; title 21, secs. 112-119, 130), establishing a Bureau of Animal Industry, and the provisions of the Act approved March 3, 1891 (U. S. C., title 45, secs. 75, 76), providing for the safe transport and humane treatment of export cattle from the United States to foreign countries, and for other purposes; the Act approved August 30, 1890 (U. S. C., title 21, secs. 101-105), providing for the importation of animals into the United States, and for other purposes; and the provisions of the Act approved February 2, 1903 (U. S. C., title 21, secs. 111-113, 120-122), to enable the Secretary of Agriculture to more effectually suppress and prevent the spread of contagious and infectious diseases of livestock, and for other purposes; and also the provisions of the Act approved March 3, 1905 (U. S. C., title 21, secs. 123-128), to enable the Secretary of Agriculture to establish and maintain quarantine districts, to permit and regulate the movement of cattle and other livestock

therefrom, and for other purposes; and for carrying out the provisions of the Act of June 29, 1906 (U. S. C., title 45, secs. 71-74), entitled "An Act to prevent cruelty to animals while in transit by railroad or other means of transportation"; and for carrying out the provisions of the Act approved March 4, 1913 (U. S. C., title 21, secs. 151-158), regulating the preparation, sale, barter, exchange, or shipment of any virus, serum, toxin, or analogous products manufactured in the United States and the importation of such products intended for use in the treatment of domestic animals; and for carrying out the provisions of the Packers and Stockyards Act, approved August 15, 1921 (U. S. C., title 7, secs. 181-229); and to enable the Secretary of Agriculture to collect and disseminate information concerning livestock and animal products; to prepare and disseminate reports on animal industry; to employ and pay from the appropriation herein made as many persons in the city of Washington or elsewhere as he may deem necessary; to purchase in the open market samples of all tuberculin, serums, antitoxins, or analogous products, of foreign or domestic manufacture, which are sold in the United States, for the detection, prevention, treatment, or cure of diseases of domestic animals, to test the same, and to disseminate the results of said tests in such manner as he may deem best; to purchase and destroy diseased or exposed animals, including poultry, or quarantine the same whenever in his judgment essential to prevent the spread of pleuropneumonia, tuberculosis, contagious poultry diseases, or other diseases of animals from one State to another, as follows:

For necessary expenses for general administrative purposes, including the salary of chief of bureau and other personal services in the District of Columbia, \$184,025.

For inspection and quarantine work, including all necessary expenses for the eradication of scabies in sheep and cattle, the inspection of southern cattle, the supervision of the transportation of livestock, and the inspection of vessels, the execution of the twenty-eight hour law, the inspection and quarantine of imported animals, including the establishment and maintenance of quarantine stations and repairs, alterations, improvements, or additions to buildings thereon; the inspection work relative to the existence of contagious diseases, and the mallein testing of animals, \$740,030.

For investigating the diseases of tuberculosis and paratuberculosis of animals, and avian tuberculosis, for their control and eradication, for the tuberculin testing of animals, and for researches concerning the causes of the diseases, their modes of spread, and methods of treatment and prevention including demonstrations, the formation of organizations, and such other means as may be necessary, either independently or in cooperation with farmers, associations, or State, Territory, or county authorities, \$6,061,777, of which \$1,221,777 shall be set aside for administrative and operating expenses and \$4,840,000 for the payment of indemnities: *Provided*, That in carrying out the purpose of this appropriation, if in the opinion of the Secretary of Agriculture it shall be necessary to condemn and destroy tuberculous or paratuberculous cattle, if such animals have been destroyed, condemned, or die after condemnation, he may, in his discretion, and in accordance with such rules and regulations as he may prescribe,

expend in the city of Washington or elsewhere such sums as he shall determine to be necessary, within the limitations above provided, for the payment of indemnities, for the reimbursement of owners of such animals, in cooperation with such States, Territories, counties, or municipalities, as shall by law or by suitable action in keeping with its authority in the matter, and by rules and regulations adopted and enforced in pursuance thereof, provide inspection of tuberculous or paratuberculous cattle and for compensation to owners of cattle so condemned, but no part of the money hereby appropriated shall be used in compensating owners of such cattle except in cooperation with and supplementary to payments to be made by State, Territory, county, or municipality where condemnation of such cattle shall take place, nor shall any payment be made hereunder as compensation for or on account of any such animal if at the time of inspection or test, or at the time of condemnation thereof, it shall belong to or be upon the premises of any person, firm, or corporation to which it has been sold, shipped, or delivered for the purpose of being slaughtered: *Provided further*, That out of the money hereby appropriated no payment as compensation for any cattle condemned for slaughter shall exceed one-third of the difference between the appraised value of such cattle and the value of the salvage thereof; that no payment hereunder shall exceed the amount paid or to be paid by the State, Territory, county, and municipality where the animal shall be condemned; that in no case shall any payment hereunder be more than \$35 for any grade animal or more than \$70 for any purebred animal, and that no payment shall be made unless the owner has complied with all lawful quarantine regulations.

For all necessary expenses for the eradication of southern cattle ticks, \$724,400: *Provided*, That no part of this appropriation shall be used for the purchase of animals or in the purchase of materials for or in the construction of dipping vats upon land not owned solely by the United States, except at fairs or expositions where the Department of Agriculture makes exhibits or demonstrations; nor shall any part of this appropriation be used in the purchase of materials or mixtures for use in dipping vats except in experimental or demonstration work carried on by the officials or agents of the Bureau of Animal Industry.

Animal husbandry: For all necessary expenses for investigations and experiments in animal husbandry; for experiments in animal feeding and breeding, including cooperation with the State agricultural experiment stations and other agencies, including repairs and additions to and erection of buildings absolutely necessary to carry on the experiments, including the employment of labor in the city of Washington and elsewhere, rent outside of the District of Columbia, and all other necessary expenses \$674,600, together with \$4,600 of the unexpended balance of the appropriation for this purpose for the fiscal year 1931, for the purchase of additional land for poultry investigations at Glendale, Arizona, and including \$12,500 for livestock experiments and demonstrations at Big Springs, and/or elsewhere in Texas, to be available only when the State of Texas, or other cooperating agency in Texas shall have appropriated an equal amount or, in the opinion of the Secretary of Agriculture, shall have furnished its equivalent in value in cooperation for the same purpose

during the fiscal year ending June 30, 1933: *Provided*, That of the sum thus appropriated \$171,320 may be used for experiments in poultry feeding and breeding.

Diseases of animals: For all necessary expenses for scientific investigations of diseases of animals, including the construction of necessary buildings at Beltsville, Maryland, the maintenance and improvement of the bureau experiment station at Bethesda, Maryland, and the necessary alterations of buildings thereon, and the necessary expenses for investigations of tuberculin, serums, anti-toxins, and analogous products, \$422,950: *Provided*, That of said sum \$100,000 may be used for researches concerning the cause, modes of spread, and methods of treatment and prevention of the disease of contagious abortion of animals.

For investigating the disease of hog cholera and related swine diseases, and for their control or eradication by such means as may be necessary, including demonstrations, the formation of organizations, and other methods, either independently or in cooperation with farmers' associations, State or county authorities, \$466,380: *Provided*, That of said sum \$265,230 shall be available for expenditure in carrying out the provisions of the Act approved March 4, 1913 (U. S. C., title 21, secs. 151-158), regulating the preparation, sale, barter, exchange, or shipment of any virus, serum, toxin, or analogous product manufactured in the United States and the importation of such products intended for use in the treatment of domestic animals: *Provided further*, That of said sum \$29,700 shall be available for researches concerning the cause, modes of spread, and methods of treatment and prevention of these diseases.

For all necessary expenses for the investigation, treatment, and eradication of dourine, \$29,900.

Packers and Stockyards Act: For necessary expenses in carrying out the provisions of the Packers and Stockyards Act, approved August 15, 1921 (U. S. C., title 7, secs. 181-229), \$374,700: *Provided*, That the Secretary of Agriculture may require reasonable bonds from every market agency and dealer, under such rules and regulations as he may prescribe, to secure the performance of their obligations, and whenever, after due notice and hearing, the Secretary finds any registrant is insolvent or has violated any provision of said Act he may issue an order suspending such registrant for a reasonable specified period. Such order of suspension shall take effect within not less than five days, unless suspended or modified or set aside by the Secretary of Agriculture or a court of competent jurisdiction: *Provided further*, That the Secretary of Agriculture may, whenever necessary, authorize the charging and collection from owners of a reasonable fee for the inspection of brands appearing upon livestock subject to the provisions of the said Act for the purpose of determining the ownership of such livestock: *Provided further*, That such fee shall not be imposed except upon written request made to the Secretary of Agriculture by the Board of Livestock Commissioners, or duly organized livestock association of the States from which such livestock have originated or been shipped to market.

In all, salaries and expenses, \$9,678,762.

Cereal crops and diseases: For the investigation and improvement of cereals, including corn, and methods of cereal production and for the study and control of cereal diseases, and for the investigation of the cultivation and breeding of flax for seed purposes, including a study of flax diseases, and for the investigation and improvement of broomcorn and methods of broomcorn production, \$554,485.

Citrus canker eradication: For conducting such investigations of the nature and means of communication of the disease of citrus trees known as citrus canker, and for applying such methods of eradication or control of the disease as in the judgment of the Secretary of Agriculture may be necessary, including the payment of such expenses and the employment of such persons and means, in the city of Washington and elsewhere, and cooperation with such authorities of the States concerned, organizations of growers, or individuals, as he may deem necessary to accomplish such purposes, \$30,000, and, in the discretion of the Secretary of Agriculture, no expenditures shall be made for these purposes until a sum or sums at least equal to such expenditures shall have been appropriated, subscribed, or contributed by State, county, or local authorities, or by individuals or organizations for the accomplishment of such purposes: *Provided*, That no part of the money herein appropriated shall be used to pay the cost or value of trees or other property injured or destroyed.

Cotton production and diseases: For investigation of cotton production, including the improvement by cultural methods, breeding, acclimatization, adaptation, and selection, and for investigation and control of diseases, \$218,440.

Drug and related plants: For the investigation, testing, and improvement of plants yielding drugs, spices, poisons, oils, and related products and by-products, \$37,720.

Dry-land agriculture: For the investigation and improvement of methods of crop production under subhumid, semiarid, or dry-land conditions, \$242,260: *Provided*, That the limitations in this Act as to the cost of farm buildings shall not apply to this paragraph: *Provided further*, That no part of this appropriation shall be used for the establishment of any new field station.

Forage crops and diseases: For the purchase, propagation, testing, and distribution of new and rare seeds; for the investigation and improvement of grasses, alfalfa, clover, and other forage crops, including the investigation and control of diseases, \$262,005.

Foreign plant introduction: For investigations in foreign seed and plant introduction, including the study, collection, purchase, testing, propagation, and distribution of rare and valuable seeds, bulbs, trees, shrubs, vines, cuttings, and plants from foreign countries and from our possessions, and for experiments with reference to their introduction and cultivation in this country, \$175,000.

Forest pathology: For the investigation of diseases of forest and ornamental trees and shrubs, including a study of the nature and habits of the parasitic fungi causing the chestnut-tree bark disease, the white-pine blister rust, and other epidemic tree diseases, for the purpose of discovering new methods of control and applying methods of eradication or control already discovered, and including \$120,000 for investigations of diseases of forest trees and forest products, under section 3 of the Act approved May 22, 1928 (U. S. C., Supp. V, title 16, sec. 581b), \$220,436.

Gardens and grounds: To cultivate and care for the gardens and grounds of the Department of Agriculture in the city of Washington, including the upkeep and lighting of the grounds and the construction, surfacing, and repairing of roadways and walks; and to erect, manage, and maintain conservatories, greenhouses, and plant and fruit propagating houses on the grounds of the Department of Agriculture in the city of Washington, \$97,820.

Genetics and biophysics: For biophysical investigations in connection with the various lines of work herein authorized, \$36,220.

Horticultural crops and diseases: For investigation and control of diseases, for improvement of methods of culture, propagation, breeding, selection, and related activities concerned with the production of fruits, nuts, vegetables, ornamentals, and related plants, for investigation of methods of harvesting, packing, shipping, storing, and utilizing these products, and for studies of the physiological and related changes of such products during processes of marketing and while in commercial storage, \$1,200,000: *Provided*, That any unexpended balance in the allotment of \$15,000, under the appropriation for this purpose for the fiscal year 1932, for the establishment of a pecan station in the middle eastern Mississippi region, is hereby continued available during the fiscal year 1933 under the same conditions and for the same purposes specified in such allotment.

Mycology and disease survey: For mycological collections and the maintenance of a plant-disease survey, \$50,000.

National Arboretum: For the maintenance of the National Arboretum established under the provisions of the Act entitled "An Act authorizing the Secretary of Agriculture to establish a National Arboretum, and for other purposes," approved March 4, 1927 (U. S. C., Supp. V, title 20, secs. 191-194), including the erection of buildings, salaries in the city of Washington and elsewhere, traveling expenses of employees and advisory council, and other necessary expenses, \$5,000, of which such amounts as may be necessary may be expended by contract or otherwise for the services of consulting landscape architects without reference to the Classification Act of 1923, as amended, or civil-service rules.

Nematology: For crop technological investigations, including the study of plant-infesting nematodes, \$50,000.

Phony peach eradication: For conducting such investigations of the nature and means of communication of the disease of peach trees

known as phony peach and for applying such methods of eradication or control of the disease as in the judgment of the Secretary of Agriculture may be necessary, including the payment of such expenses and the employment of such persons and means, in the city of Washington and elsewhere, and cooperation with such authorities of the States concerned, organizations of growers, or individuals, as he may deem necessary to accomplish such purposes, \$50,000, and, in the discretion of the Secretary of Agriculture, no expenditure shall be made for these purposes until a sum or sums at least equal to such expenditures shall have been appropriated, subscribed, or contributed, by State, county, or local authorities, or by individuals or organizations for the accomplishment of such purposes: *Provided*, That no part of the money herein appropriated shall be used to pay the cost or value of trees or other property injured or destroyed.

Plant nutrition: For plant-nutrition investigations, \$18,050.

Rubber, fiber, and other tropical plants: For investigation of crops introduced from tropical regions, and for the improvement of rubber, abaca, and other fiber plants by cultural methods, breeding, acclimatization, adaptation, and selection, and for investigation of their diseases, and for determining the feasibility of increasing the production of hard fibers outside of the continental United States, \$75,000.

Seed investigations: For studying and testing commercial seeds, including the testing of samples of seeds of grasses, clover, or alfalfa, and lawn-grass seeds secured in the open market, and where such samples are found to be adulterated or misbranded the results of the tests shall be published, together with the names of the persons by whom the seeds were offered for sale, and for carrying out the provisions of the Act approved August 24, 1912 (U. S. C., title 7, secs. 111-114), entitled "An Act to regulate foreign commerce by prohibiting the admission into the United States of certain adulterated grain and seeds unfit for seeding purposes," \$75,500: *Provided*, That not to exceed \$250 of this amount may be used for meeting the share of the United States in the expenses of the International Seed Testing Congress in carrying out plans for correlating the work of the various adhering governments on problems relating to seed analysis or other subjects which the congress may determine to be necessary in the interest of international seed trade.

Sugar-plant investigations: For sugar-plant investigations, including studies of diseases and the improvement of sugar beets and sugar-beet seed, \$385,462.

Tobacco investigations: For the investigation and improvement of tobacco and the methods of tobacco production and handling, \$90,600.

Western irrigation agriculture: For investigations in connection with western irrigation agriculture, the utilization of lands reclaimed under the Reclamation Act, and other areas in the arid and semiarid regions, \$147,950: *Provided*, That the limitations in this Act as to the cost of farm buildings shall not apply to this paragraph.

Total, Bureau of Plant Industry, \$4,930,874, of which amount not to exceed \$1,794,650 may be expended for personal services in the District of Columbia.

FOREST SERVICE

SALARIES AND GENERAL EXPENSES

To enable the Secretary of Agriculture to experiment and to make and continue investigations and report on forestry, national forests, forest fires, and lumbering, but no part of this appropriation shall be used for any experiment or test made outside the jurisdiction of the United States; to advise the owners of woodlands as to the proper care of the same; to investigate and test American timber and timber trees and their uses, and methods for the preservative treatment of timber; to seek, through investigations and the planting of native and foreign species, suitable trees for the treeless regions; to erect necessary buildings: *Provided*, That the cost of any building purchased, erected, or as improved, exclusive of the cost of constructing a water supply or sanitary system and of connecting the same with any such building, and exclusive of the cost of any tower upon which a lookout house may be erected, shall not exceed \$2,500; to pay all expenses necessary to protect, administer, and improve the national forests, including tree planting in the forest reserves to prevent erosion, drift, surface wash, and soil waste and the formation of floods, and including the payment of rewards under regulations of the Secretary of Agriculture for information leading to the arrest and conviction for violation of the laws and regulations relating to fires in or near national forests, or for the unlawful taking of, or injury to, Government property; to ascertain the natural conditions upon and utilize the national forests; to transport and care for fish and game supplied to stock the national forests or the waters therein; to employ agents, clerks, assistants, and other labor required in practical forestry and in the administration of national forests in the city of Washington and elsewhere; to collate, digest, report, and illustrate the results of experiments and investigations made by the Forest Service; to purchase necessary supplies, apparatus, office fixtures, law books, reference and technical books and technical journals for officers of the Forest Service stationed outside of Washington, and for medical supplies and services and other assistance necessary for the immediate relief of artisans, laborers, and other employees engaged in any hazardous work under the Forest Service: *Provided further*, That the appropriations for the work of the Forest Service shall be available for meeting the expenses of warehouse maintenance and the procurement, care, and handling of supplies and materials stored therein for distribution to projects under the supervision of the Forest Service and for sale and distribution to other Government activities, the cost of such supplies and materials, including the cost of supervision, transportation, and handling, to be reimbursed to appropriations current at the time additional supplies and materials are procured for warehouse stocks from the appropriations chargeable with the cost of stock issued; to pay freight, express, telephone, and telegraph charges; for electric light and power, fuel, gas, ice, and washing towels, and official traveling and other necessary expenses, including traveling expenses for legal and fiscal officers while performing Forest Service work; and for rent outside of the District of Columbia, as follows:

For necessary expenses for general administrative purposes, including the salary of the Chief Forester and other personal services in the District of Columbia, \$352,580.

NATIONAL FOREST ADMINISTRATION

For the employment of forest supervisors, deputy forest supervisors, forest rangers, forest guards, and administrative clerical assistants on the national forests, and for additional salaries and field-station expenses, including the maintenance of nurseries, collecting seed, and planting, necessary for the use, maintenance, improvement, and protection of the national forests, and of additional national forests created or to be created under section 11 of the Act of March 1, 1911 (U. S. C., title 16, sec. 521), and under the Act of June 7, 1924 (U. S. C., title 16, secs. 471, 499, 505, 564-570), and lands under contract for purchase or for the acquisition of which condemnation proceedings have been instituted for the purposes of said Acts, and for necessary miscellaneous expenses incident to the general administration of the Forest Service and of the national forests:

In national forest region 1, Montana, Washington, Idaho, and South Dakota, \$1,631,360: *Provided*, That the Secretary of Agriculture is authorized to use not to exceed \$500 in caring for the graves of fire fighters buried at Wallace, Idaho; Newport, Washington; and Saint Maries, Idaho, and in removing the remains of fire fighters to the cemeteries at Newport, Washington; and/or Saint Maries, Idaho;

In national forest region 2, Colorado, Wyoming, South Dakota, Nebraska, and Oklahoma, \$699,079: *Provided*, That not to exceed \$1,000 of this appropriation may be expended for the maintenance of the herd of long-horned cattle on the Wichita National Forest;

In national forest region 3, Arizona and New Mexico, \$683,599;

In national forest region 4, Utah, Idaho, Wyoming, Nevada, Arizona, and Colorado, \$892,145;

In national forest region 5, California and Nevada, \$1,201,661;

In national forest region 6, Washington, Oregon, and California, \$1,217,687;

In national forest region 7, Arkansas, Alabama, Florida, Georgia, South Carolina, North Carolina, Pennsylvania, Tennessee, Virginia, West Virginia, New Hampshire, Maine, Porto Rico, Kentucky, Louisiana, Mississippi, and Vermont, \$544,940;

In national forest region 8, Alaska, \$133,284;

In national forest region 9, Michigan, Minnesota, and Wisconsin, \$127,489;

In all, for the use, maintenance, improvement, protection, and general administration of the national forests, \$7,131,244: *Provided*, That the foregoing amounts appropriated for such purposes shall be available interchangeably in the discretion of the Secretary of Agriculture for the necessary expenditures for fire protection and other unforeseen exigencies: *Provided further*, That the amount so interchanged shall not exceed in the aggregate 10 per centum of all the amounts so appropriated.

For fighting and preventing forest fires on or threatening the national forests and for the establishment and maintenance of a patrol to prevent trespass and to guard against and check fires upon the lands revested in the United States by the Act approved June 9, 1916 (39 Stat., p. 218), and the lands known as the Coos Bay Wagon Road lands involved in the case of Southern Oregon Company against United States (numbered 2711), in the Circuit Court of Appeals of the Ninth Circuit, \$100,000, which amount shall be immediately available.

Aerial fire control: For cooperation with the War Department, or for contract airplane service, in the maintenance and operation of an airplane patrol to prevent and suppress forest fires on national forests and adjacent lands, \$25,000: *Provided*, That no part of this appropriation shall be used for the purchase of land or airplanes.

Classification of lands: For the selection, classification, and segregation of lands within the boundaries of national forests that may be opened to homestead settlement and entry under the homestead laws applicable to the national forests; for the examination and appraisal of lands in effecting exchanges authorized by law and for the survey thereof by metes and bounds or otherwise, by employees of the Forest Service, under the direction of the Commissioner of the General Land Office; and for the survey and platting of certain lands, chiefly valuable for agriculture, now listed or to be listed within the national forests, under the Act of June 11, 1906 (U. S. C., title 16, secs. 506-509), the Act of August 10, 1912 (U. S. C., title 16, sec. 506), and the Act of March 3, 1899 (U. S. C., title 16, sec. 488), as provided by the Act of March 4, 1913 (U. S. C., title 16, sec. 512), \$52,770.

Sanitation and fire prevention: For the construction and maintenance of sanitary facilities and for fire-preventive measures on public camp grounds within the national forests when necessary for the protection of the public health or the prevention of forest fires, \$67,000.

Planting on national forests: For the establishment and maintenance of forest-tree nurseries, the collection or purchase of tree seed, cones, and nursery stock, and seeding and tree planting within national forests; for additional protection, care, and improvement of plantations or young growth; and for experiments and investigations necessary for seeding and tree planting, \$154,200.

Reconnaissance, national forests: For estimating and appraising timber and other resources on the national forests preliminary to disposal by sale or to the issue of occupancy permits, and for emergency expenses incident to their sale or use, \$77,860.

Improvement of the national forests: For the construction and maintenance of roads, trails, bridges, fire lanes, telephone lines, cabins, fences, and other improvements necessary for the proper and economical administration, protection, and development of the national forests, \$1,019,640, of which amount \$100,000 is reserved for expenditure for the Angeles, Cleveland, Santa Barbara, and San Bernardino National Forests in southern California: *Provided*, That such sum of \$100,000 shall not be expended unless an equal amount is contributed for such work by State, county, municipal, and/or

other local interests, to be paid, in whole or in part, in advance of the performance of the work for which this appropriation provides: *Provided further*, That where, in the opinion of the Secretary of Agriculture, direct purchase will be more economical than construction, telephone lines, cabins, fences, and other improvements may be purchased: *Provided further*, That not to exceed \$116,000 may be expended for the construction and maintenance of boundary and range division fences, counting corrals, stock driveways and bridges, the development of stock watering places, and the eradication of poisonous plants on the national forests: *Provided further*, That not to exceed \$1,000 of this appropriation may be used for the repair and maintenance of the dam at Cass Lake, Minnesota.

FOREST RESEARCH

For forest research in accordance with the provisions of sections 1, 2, 7, 8, 9, and 10 of the Act entitled "An Act to insure adequate supplies of timber and other forest products for the people of the United States, to promote the full use for timber growing and other purposes of forest lands in the United States, including farm wood lots and those abandoned areas not suitable for agricultural production, and to secure the correlation and the most economical conduct of forest research in the Department of Agriculture through research in reforestation, timber growing, protection, utilization, forest economics, and related subjects," approved May 22, 1928 (U. S. C., Supp. V, title 16, secs. 581, 581a, 581f-581i), as follows:

Forest management: Fire, silvicultural, and other forest investigations and experiments under section 2, at forest experiment stations or elsewhere, \$534,280.

Range investigations: Investigations and experiments to develop improved methods of management of forest and other ranges under section 7, at forest or range experiment stations or elsewhere, \$123,030.

Forest products: Experiments, investigations, and tests of forest products under section 8, at the Forest Products Laboratory, or elsewhere, \$613,640.

Forest survey: A comprehensive forest survey under section 9, \$170,280.

Forest economics: Investigations in forest economics under section 10, \$70,240.

In all, salaries and expenses, \$10,491,764; and in addition thereto there are hereby appropriated all moneys received as contributions toward cooperative work under the provisions of section 1 of the Act approved March 3, 1925 (U. S. C., title 16, sec. 572), which funds shall be covered into the Treasury and constitute a part of the special funds provided by the Act of June 30, 1914 (U. S. C., title 16, sec. 498): *Provided*, That not to exceed \$489,360 may be expended for departmental personal services in the District of Columbia: *Provided further*, That not to exceed \$1,000 may be expended for the contribution of the United States to the cost of the office of the secretariat of the International Union of Forest Research Stations.

FOREST-FIRE COOPERATION

For cooperation with the various States or other appropriate agencies in forest-fire prevention and suppression and the protection of timbered and cut-over lands in accordance with the provisions of sections 1, 2, and 3 of the Act entitled "An Act to provide for the protection of forest lands, for the reforestation of denuded areas, for the extension of national forests, and for other purposes, in order to promote continuous production of timber on lands chiefly valuable therefor," approved June 7, 1924 (U. S. C., title 16, secs. 564-570), as amended, including also the study of the effect of tax laws and the investigation of timber insurance as provided in section 3 of said Act, \$1,611,580, of which \$48,320 shall be available for departmental personal services in the District of Columbia and not to exceed \$2,800 for the purchase of supplies and equipment required for the purposes of said Act in the District of Columbia.

COOPERATIVE DISTRIBUTION OF FOREST PLANTING STOCK

For cooperation with the various States in the procurement, production, and distribution of forest-tree seeds and plants in establishing windbreaks, shelter belts, and farm wood lots upon denuded or nonforested lands within such cooperating States, under the provisions of section 4 of the Act entitled "An Act to provide for the protection of forest lands, for the reforestation of denuded areas, for the extension of national forests, and for other purposes, in order to promote the continuous production of timber on lands chiefly suitable therefor," approved June 7, 1924 (U. S. C., title 16, sec. 567), and Acts supplementary thereto, \$79,960, of which amount not to exceed \$2,000 may be expended for departmental personal services in the District of Columbia.

ACQUISITION OF ADDITIONAL FOREST LANDS

For the acquisition of additional lands under the provisions of the Act of March 1, 1911 (U. S. C., title 16, secs. 513-519), as amended by the Act of June 7, 1924 (U. S. C., title 16, secs. 564-570), \$200,000, as authorized by the Act of June 2, 1930 (46 Stat., p. 491), of which amount not to exceed \$35,000 may be expended for departmental personal services and supplies and equipment in the District of Columbia.

Total, Forest Service, \$12,383,304.

BUREAU OF CHEMISTRY AND SOILS

SALARIES AND GENERAL EXPENSES

For all necessary expenses connected with the investigations, experiments, and demonstrations hereinafter authorized, independently or in cooperation with other branches of the Department of Agriculture, other departments or agencies of the Federal Government, States, State agricultural experiment stations, universities and other State agencies and institutions, counties, municipalities, business or other organizations and corporations, individuals, asso-

ciations, and scientific societies, including the employment of necessary persons and means in the city of Washington and elsewhere; rent outside the District of Columbia, and other necessary supplies and expenses, and for erection, alteration, and repair of buildings outside of the District of Columbia at a total cost not to exceed \$5,000, as follows:

For necessary expenses for general administrative purposes, including the salary of chief of bureau and other personal services in the District of Columbia, \$96,720.

Agricultural chemical investigations: For conducting the investigations contemplated by the Act of May 15, 1862 (U. S. C., title 5, secs. 511, 512), relating to the application of chemistry to agriculture; for the biological, chemical, physical, microscopical, and technological investigation of foods, feeds, drugs, and insecticides and substances used in the manufacture thereof, including investigations of the physiological effects of such products; for the investigation and development of methods for the manufacture of sugars and sugar sirups and the utilization of new agricultural materials for such purposes; for investigation of the action and changes produced by microorganisms, including molds and fungi; for investigation and development of methods for the utilization of agricultural wastes and residues, in cooperation with the Bureau of Standards, Department of Commerce, without duplication of work; for investigation and development of methods for the prevention of heating of agricultural products and the prevention of farm fires and fires in cotton gins, cotton-oil mills, grain elevators, and other structures, and to cooperate with associations and scientific societies in the development of methods of analysis, \$453,699.

Color investigations: For investigation and experiment in the utilization, for coloring, medicinal, and technical purposes, of raw materials grown or produced in the United States, \$75,000.

Insecticide and fungicide investigations: For the investigation and development of methods of manufacturing insecticides and fungicides, and for investigating chemical problems relating to the composition, action, and application of insecticides and fungicides, \$117,300.

INTERCHANGE OF APPROPRIATIONS

Not to exceed 10 per centum of the foregoing amounts for the miscellaneous expenses of the work of any bureau, division, or office herein provided for shall be available interchangeably for expenditures on the objects included within the general expenses of such bureau, division, or office, but no more than 10 per centum shall be added to any one item of appropriation except in cases of extraordinary emergency, and then only upon the written order of the Secretary of Agriculture: *Provided*, That a statement of any transfers of appropriations made hereunder shall be included in the annual Budget.

MISCELLANEOUS

WORK FOR OTHER DEPARTMENTS

During the fiscal year 1933 the head of any department or independent establishment of the Government requiring inspections, analyses, and tests of food and other products, within the scope of the functions of the Department of Agriculture and which that department is unable to perform within the limits of its appropriations, may, with the approval of the Secretary of Agriculture, transfer to the Department of Agriculture for direct expenditure such sums as may be necessary for the performance of such work.

EXPERIMENTS IN LIVESTOCK PRODUCTION IN SOUTHERN UNITED STATES

To enable the Secretary of Agriculture, in cooperation with the authorities of the States concerned, or with individuals, to make such investigations and demonstrations as may be necessary in connection with the development of livestock production in the cane-sugar and cotton districts of the United States, \$41,325.

AGRICULTURAL-CREDIT CORPORATIONS

For carrying into effect the provisions of Public Resolution Numbered 11, entitled "Joint resolution to authorize the Secretary of Agriculture to aid in the establishment of agricultural-credit

corporations, and for other purposes," approved March 3, 1932, \$10,000,000 of the combined unexpended balances and repayments thereto of the appropriations contained in Public Resolution Numbered 114, approved January 15, 1931, and in the Interior Department Appropriation Act for the fiscal year 1932, approved February 14, 1931, to carry out the provisions of Public Resolution Numbered 112, approved December 20, 1931, as amended (46 Stat. 1032, 1160, 1167), is hereby made immediately available as a revolving fund, as authorized by section 4 of said Public Resolution Numbered 11, of which fund not to exceed 2 per centum shall be available for the expenses of administration, including the employment of persons and means in the District of Columbia and elsewhere, printing and binding, purchase of law books and books of reference and other necessary expenses: *Provided*, That the unobligated balances remaining in such appropriations (together with repayments credited thereto), not otherwise appropriated, shall be covered into the Treasury at the close of the fiscal year 1932 as "Miscellaneous Receipts."

PASSENGER-CARRYING VEHICLES

That not to exceed \$200,000 of the lump-sum appropriations herein made for the Department of Agriculture shall be available for the purchase of motor-propelled and horse-drawn passenger-carrying vehicles necessary in the conduct of the field work of the Department of Agriculture outside the District of Columbia: *Provided*, That such vehicles shall be used only for official service outside the District of Columbia, but this shall not prevent the continued use for official service of motor trucks in the District of Columbia: *Provided further*, That the Secretary of Agriculture is authorized to expend from the funds provided for carrying out the provisions of the Federal Highway Act of November 9, 1921 (U. S. C., title 23, secs. 21 and 23), not to exceed \$50,000 for the purchase of motor-propelled passenger-carrying vehicles for use in the construction and maintenance of national-forest roads or other roads constructed under the supervision of the Department of Agriculture, including the replacement of not to exceed one such vehicle for use in the administrative work of the Bureau of Public Roads in the District of Columbia: *Provided further*, That appropriations contained in this Act shall be available for the maintenance, operation, and repair of motor-propelled and horse-drawn passenger-carrying vehicles, but expenditures for that purpose, exclusive of garage rent, pay of operator, tires, fuel, and lubricants, on any one motor-propelled passenger-carrying vehicle except a bus, used by the Department of Agriculture shall not exceed one-third of the market price of a new vehicle of the same make or class, and in any case not more than \$500: *Provided further*, That not more than one such vehicle shall be maintained for use in the administrative work of the Bureau of Public Roads in the District of Columbia: *Provided further*, That the Secretary of Agriculture may exchange motor-propelled and horse-drawn vehicles, tractors, road equipment, and boats, and parts, accessories, tires, or equipment thereof, in whole or in part payment for vehicles, tractors, road equipment, or boats, or parts, accessories, tires, or equipment of such vehicles, tractors, road equipment, or boats purchased by him: *Pro-*

vided further, That no part of any money appropriated by this Act shall be used for purchasing any motor-propelled passenger-carrying vehicle (except busses and station wagons) at a cost, completely equipped for operation, in excess of \$750, except where, in the judgment of the department, special requirements can not thus be efficiently met, such exceptions, however, to be limited to not to exceed 10 per centum of the total expenditures for such motor vehicles purchased during the fiscal year; including the value of a vehicle exchanged where exchange is involved; nor shall any money appropriated herein be used for maintaining, driving, or operating any Government-owned motor-propelled passenger-carrying vehicle not used exclusively for official purposes; and "official purposes" shall not include the transportation of officers and employees between their domiciles and places of employment except in cases of officers and employees engaged in field work the character of whose duties makes such transportation necessary and then only when the same is approved by the head of the department. The limitations of this proviso shall not apply to any motor vehicle for official use of the Secretary of Agriculture.

COLLECTION OF SEED-GRAIN LOANS

To enable the Secretary of Agriculture to collect moneys due the United States on account of loans made under the provisions of the Acts of March 3, 1921 (41 Stat., p. 1347), March 20, 1922 (42 Stat., p. 467), April 26, 1924 (43 Stat., p. 110), February 28, 1927 (44 Stat., p. 1251), February 25, 1929 (45 Stat., p. 1306), as amended May 17, 1929 (46 Stat., p. 3), March 3, 1930 (46 Stat., pp. 78, 79), December 20, 1930 (46 Stat., p. 1032), February 14, 1931 (46 Stat., p. 1160), and February 23, 1931 (46 Stat., p. 1276), \$500,000 of the unexpended balance of the appropriation contained in Public Resolution Numbered 114, approved January 15, 1931, is continued available until June 30, 1933, of which amount not to exceed \$80,000 may be expended for departmental personal services in the District of Columbia.

SOIL-EROSION INVESTIGATIONS

To enable the Secretary of Agriculture to make investigation not otherwise provided for of the causes of soil erosion and the possibility of increasing the absorption of rainfall by the soil in the United States, and to devise means to be employed in the preservation of soil, the prevention or control of destructive erosion and the conservation of rainfall by terracing or other means, independently or in cooperation with other branches of the Government, State agencies, counties, farm organizations, associations of business men, or individuals, including necessary expenses, \$289,160, of which amount not to exceed \$21,200 may be expended for personal services in the District of Columbia.

FOREST ROADS AND TRAILS

For carrying out the provisions of section 23 of the Federal Highway Act approved November 9, 1921 (U. S. C., title 23, sec. 23), including not to exceed \$81,020 for departmental personal services in

the District of Columbia, \$8,905,000, which sum is composed of \$2,945,000, part of the sum of \$12,500,000 authorized to be appropriated for the fiscal year 1932 by the Act approved May 5, 1930 (46 Stat., p. 261), and \$5,960,000, part of the amount authorized to be appropriated for the fiscal year 1933 by the Act approved May 5, 1930: *Provided*, That the Secretary of Agriculture shall, upon the approval of this Act, apportion and prorate among the several States, Alaska, and Porto Rico, as provided in section 23 of said Federal Highway Act, the sum of \$12,500,000 authorized to be appropriated for the fiscal year ending June 30, 1933, by the Act approved May 5, 1930: *Provided further*, That the Secretary of Agriculture shall incur obligations, approve projects, or enter into contracts under his apportionment and prorating of this authorization, and his action in so doing shall be deemed a contractual obligation on the part of the Federal Government for the payment of the cost thereof: *Provided further*, That the total expenditures on account of any State or Territory shall at no time exceed its authorized apportionment: *Provided further*, That this appropriation shall be available for the rental, purchase, or construction of buildings necessary for the storage of equipment and supplies used for road and trail construction and maintenance, but the total cost of any such building purchased or constructed under this authorization shall not exceed \$2,500: *Provided further*, That during the fiscal year ending June 30, 1933, the expenditures on forest highways in Alaska from the amount herein appropriated or from similar appropriations heretofore made shall not exceed \$350,000, and the apportionment for forest highways in Alaska from the sum of \$12,500,000 authorized to be appropriated for the fiscal year 1933 shall be \$350,000.

The appropriation of \$800,000 for the construction on Government Island, Alameda, California, of buildings required by the Bureau of Public Roads and Forest Service of the Department of Agriculture and the Coast Guard of the Treasury Department, contained in the Act entitled "An Act making supplemental appropriations for the fiscal years ending June 30, 1931, and June 30, 1932," approved March 4, 1931, is hereby continued available during the fiscal year 1933.

SEC. 2. For the purpose of carrying into effect the provisions of the Act entitled "An Act providing for the participation of the United States in A Century of Progress (the Chicago World's Fair Centennial Celebration), to be held at Chicago, Illinois, in 1933, authorizing an appropriation therefor, and for other purposes," approved February 8, 1932, and for each and every object thereof, and within the limits of cost specified therein, to be immediately available and to remain available until June 30, 1934, \$1,000,000.

SEC. 3. No appropriation under the Department of Agriculture available during the fiscal years 1932 and/or 1933 shall be used after the date of the approval of this Act to pay the compensation of an incumbent appointed to any position under the Federal Government which is vacant on the date of the approval of this Act or to any such position which may become vacant after such date: *Provided*, That this inhibition shall not apply (a) to absolutely essential positions the filling of which may be authorized or approved in writing by the President of the United States, either individually

or in groups, or (b) to temporary, emergency, seasonal, and cooperative positions. The appropriations or portions of appropriations unexpended by the operation of this section shall not be used for any other purposes but shall be impounded and returned to the Treasury, and a report of all such vacancies, the number thereof filled, and the amounts unexpended, for the period between the date of the approval of this Act and October 31, 1932, shall be submitted to Congress on the first day of the next regular session: *Provided*, That such impounding of funds may be waived in writing by the President of the United States in connection with any appropriation or portion of appropriation, when, in his judgment, such action is necessary and in the public interest.

Total, Department of Agriculture, \$175,671,665.

Approved, July 7, 1932.
